

# Basement Retreats, Inc. Wins National Master Design Award for Remodeling Excellence

<Littleton> <Colorado> <October 12, 2006>. Basement Retreats, Inc. (BRI) a locally owned remodeling company, won the coveted national Master Design Gold Award from Qualified Remodeler.

Remodeling experts from across the country judged several entries, selecting Basement Retreats for the highest award in the basement remodeling category. The winning design includes a luxurious spa refuge, opulent wine cellar, wine tasting and wet bar area, entertainment zone, billiards room and guest quarters in a newly remodeled basement in Morrison. Eligible entries were designed and completed between January 2005 and May 2006.

"We are pleased to be recognized by winning this prestigious award," says Bill Foraker, owner of BRI. "But more importantly, we're happy we could delight our client by building their dream retreat."

Basement Retreats is a Littleton based professional firm that specializes in designing and building high end basements for clients looking for innovative and creative designs and custom craftsmanship of the highest quality. BRI won 1st Place in the 2006 HBA of Metro Denver CARE (Colorado Awards for Remodeling Excellence) Awards for Basement Remodeling.
