*Basement Retreats Inc. Wins National Master Design Award for Remodeling Excellence*

Basement Retreats, Inc. (BRI) a locally owned remodeling firm won the coveted Master Design Gold Award, the top award in a national contest sponsored by Qualified Remodeler that recognizes outstanding residential remodeling projects.

Remodeling experts judged 360 entries, selecting Basement Retreats for the highest award in the basement remodeling category. The winning design includes a luxurious spa refuge, opulent wine cellar, wine tasting and wet bar area, entertainment zone, billiards room and guest quarters in a newly remodeled basement in Morrison.

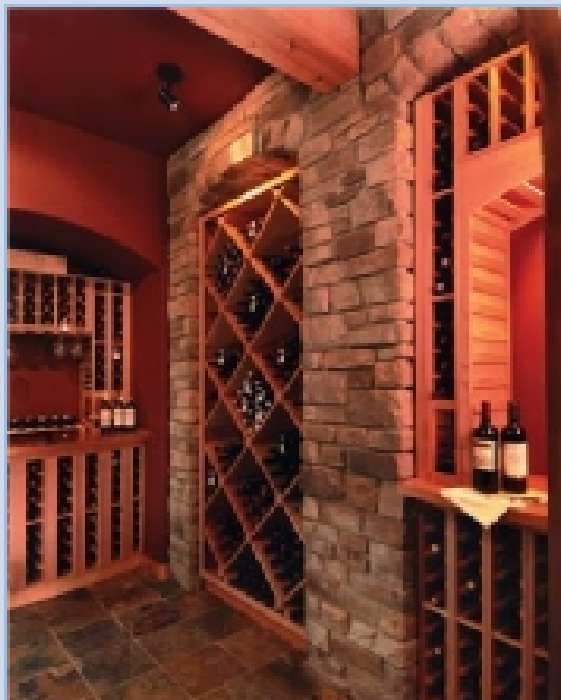

"We are pleased to be recognized by winning this prestigious award" says **Bill Foraker**, owner of BRI. "But more importantly, we're happy we could delight our client by building their dream retreat."

Basement Retreats is a Littleton based professional firm that specializes in designing and building high end basements for clients looking for innovative and creative designs and custom craftsmanship of the highest quality. BRI won 1 st Place in the 2006 Home Builders Association of Metro Denver CARE (Colorado Awards for Remodeling Excellence) Awards for Basement Remodeling.
